## Our Story

Family photo taken at the Original location in 2008

In 1973 the Original Keys Cafe opened in St Paul on Raymond Avenue Barbara Hunn founded this first adventure that has now expanded into multiple Twin Cities locations & one across the border into Hudson, WI. Keys Cafe is recognized & awarded locally & nationally for our fine food. Our philosophy is: memorable service & absolutely the best food created from scratch recipes "like the food you grew up with". We strive to have healthy, safe & quality food for our customers. Our customers are always our priority when making decisions on products.

**Gf = GLUTEN FRIENDLY**

**GLUTEN FRIENDLY OPTIONS:** We made modifications to fit a gluten friendly diet. Ingredient information was gathered from suppliers to determine to the best of our ability, that the products we use are gluten friendly. We do not have a gluten free grill or toaster, so cross contamination exists.

\*Consuming raw or undercooked meats, poultry, seafood, shellfish, or eggs may increase your risk of foodborne illness, especially if you have certain medical conditions.
